Hello –

Per our discussion today, see the attached map which shows the vicinity of the City's 12-inch PVC Sewer force main we need located by the close of business on 8-16-13. We are scheduled to perform invasive subsurface sampling on August 18<sup>th</sup> and 19<sup>th</sup> in the vicinity your pipe. Please do not hesitate to contact me with questions.

Best regards,

**Nathan Soccorsy**
